RESILIENCE, UP-TIME & INNOVATION

100% availability and up-time is more essential than ever to avoid customer dissatisfaction. We stay at the forefront of fire and security technology to ensure that the systems we install are future proof and able to withstand sophisticated criminal activity.

ACCREDITED & CERTIFIED

Scutum is fully accredited and certified, providing solutions for over 30 years. Our in house team of consultants, designers, and fire risk assessors ensure that the systems we install are best-in-class and comply with legislation.

COMPLETE FIRE & SECURITY SOLUTION

Scutum is a single-source provider for fire, security and safety solutions. Systems can be networked and integrated, improving ease of use and streamlining building operations.

A LONG TERM RELATIONSHIP

The installation of a Scutum system is only the beginning of a long term relationship. Our maintenance agreements, 24/7 emergency service and local support ensure the long term safety and security of your site.
