SCUTUM
Shielding your future

FIRE AND SECURITY FOR INDUSTRY

Fire detection & suppression systems, protecting life and assets in the most hazardous of installations.

Scutum UK's fire and security solutions provide the highest level of protection for a wide range of prestigious UK industries. Industrial facilities present a potential risk due to higher concentrations of valuable machinery, combined with flammable atmospheres. Effective, intelligent security systems and fire detection are crucial in preventing massive potential loss or theft and vandalism.

- BENTLEY
- JAGUAR LAND ROVER
- UNILEVER
- GE CALEDONIAN
- ASTON MARTIN
- NORBORD
- CALACHEM
- ARCONIC

HIGHEST LEVEL OF PROTECTION
Scutum's intelligent, networked access, CCTV and intruder security systems provide the highest level of security with reporting tools for full auditing of access in and out of secure areas.

ACCREDITED & CERTIFIED
Scutum is fully accredited and ATEX certified, providing solutions over 30 years. Our in house team of consultants, designers, and fire risk assessors ensure that the systems we install are best-in-class and comply with legislation.

COMPLETE FIRE & SECURITY SOLUTION
Scutum is a single-source provider for fire, security and safety solutions. Systems can be networked and integrated, improving ease of use and streamlining building operations.

A LONG TERM RELATIONSHIP
The installation of an Scutum system is only the beginning of a long term relationship. Our maintenance agreements, 24/7 emergency service and local support ensure the long term safety and security of your site.
