

HEALTH & SAFETY GENERAL STATEMENT OF INTENT

Scutum UK Limited is fully committed to meeting its health and safety responsibilities in terms of complying with all relevant legislation.

To achieve this, as the Chief Operating Officer, I acknowledge the overall designated responsibility for the health, safety and welfare of our employees at work and for the protection of other persons against risks to their health and safety out of, or in connection with **Scutum UK Limited** activities.

The company is fully committed to developing, promoting and maintaining a pro-active approach to the management of health and safety.

Managers shall transmit within their sphere of control, the belief and commitment that health and safety is an integral part of all work undertaken by **Scutum UK Limited** and is of equal importance to production and quality of service.

All employees and contractors have a legal Duty of Care to ensure that the activities for which they are responsible are carried out safely, without risk of harm to themselves or others, and in accordance with the relevant health and safety regulations.

To achieve this, the company shall adopt a planned systematic approach to policy and procedural implementation with the aim of setting objectives for hazard elimination and risk reduction. This will ensure that a continuous improvement of safety standards is achieved in all our activities and undertakings.

This policy will be subject to an annual review.
