

# ENVIRONMENTAL POLICY STATEMENT

## Scope

Scutum UK Limited Ltd is a fire and security company that designs, installs, commissions and maintains **Fire Detection and Alarm and Gaseous Suppression Systems** and installs, commissions and maintains **Access Control, CCTV and Intruder Alarm Security Systems**.

## Aim

The Company is committed to promoting sustainability and reducing, wherever possible, the impact on the environment of its working practices. We do this through continual improvement of environmental performance and prevention of pollution as an integral part of our strategy. The management of our organisation adopts an integrated approach to our activities, driven by our concern for the environment and for promoting a broader sustainability agenda

## Objectives

To achieve this aim the company has set the following objectives, which will be reviewed on an annual basis:

- To develop, implement and maintain a management system meeting the requirements of ISO 14001:2015;
- Commitment to comply with or exceed all applicable legal and other requirements to which the Company subscribes;
- To provide environmental awareness training to employees at all levels of the business and encourage employees to act in an environmentally responsible manner;
- To minimise the environmental aspects and resultant impacts of its activities and services through energy efficiency and conservation, natural resources conservation, pollution and emissions prevention, waste minimisation, recycling materials and safe and responsible disposal of waste and effluent.

## Responsibility

All employees are expected to be environmentally responsible. All levels of management are responsible for ensuring this plan is enacted in respect to all Company Contracts through integration within the Company's Environmental Policy and other Management Systems, receiving equal priority with all other aspects of Company management. Deployment and implementation will be via line management who will involve all employees.

This policy statement will be communicated to all persons working for, or on behalf of, the company and will be reviewed annually. This policy will be available to all employees and interested parties and will be published on our website
