FIRE AND SECURITY FOR RETAIL & LOGISTICS

Protecting retailers, customers & helping
cargo operators transport their valuable cargo.

Scutum UK's fire and security solutions protect a wide range of national retailers and logistics companies. Our intelligent, networked access, CCTV and intruder security systems prevent theft and vandalism in retail outlets or where expensive goods are loaded and unloaded. Through Scutum Group UK we also provide vehicle tracking and remote monitoring solutions.

- AMAZON
- ROLEX
- KUEHNE + NAGEL
- WAITROSE
- CEX
- JOHN LEWIS
- RIVER ISLAND
- MARKS & SPENCERS

HIGHEST LEVEL OF PROTECTION

Scutum UK's intelligent, networked access, CCTV and intruder security systems provide the highest level of security for retailers. Warehouses present a potential fire risk due to high concentrations of high value goods. Very early fire detection and intelligent security systems are crucial in preventing massive potential loss.

ACCREDITED & CERTIFIED

Scutum is fully accredited and certified, providing solutions for over 30 years. Our in house team of consultants, designers, and fire risk assessors ensure that the systems we install are best-in-class and comply with legislation.

COMPLETE FIRE & SECURITY SOLUTION

Scutum is a single-source provider for fire, security and safety solutions. Systems can be networked and integrated, improving ease of use and streamlining building operations.

A LONG TERM RELATIONSHIP

The installation of an Scutum system is only the beginning of a long term relationship. Our maintenance agreements, 24/7 emergency service and local support ensure the long term safety and security of your site.
